## Message from the Principal

Autumn is one of the most beautiful seasons of the year. The outward changes to our trees, the temperatures, are all gentle reminders from God, its Harvest time. The seeds planted in spring are bursting from the earth producing a glorious bounty. It is this time that we need to stop and give thanks for all God has given to us. "A prayer said before meals expresses thanks, not only for the harvest, those who toiled to produce it, but more importantly for the animals and plants that provides it." "God of seasons, God of the harvest, thank you for these foods. We will eat them with gratitude and share them with love. We ask these things in the name of the Father and of the Son and of the Holy Spirit. Amen."

Dear Parents: We have gotten off to a great start in our 100<sup>th</sup> year. We have scheduled many wonderful events to celebrate and commemorate 100 years of exceptional teaching and learning. We hope you will be a part of them.

I would like to extend a personal invitation to everyone to attend the "International Pot Luck" on October 20, from 6:30 – 8 p.m.

### **WANTED:**

Parents with a commitment to fun, exercise, community building and fostering sportsmanship in our scholars. We still need basketball coaches (boys' and girls'), cheerleading coaches and STEP coaches. We also need to build our Parent Pep Squad for these activities. If you are interested, please contact me directly.
