Each year Sacred Heart School strives to provide the highest quality academic programs for children in the Greater Boston area, ages three through grade eight. I agree that education is a shared responsibility between parents/guardians, teachers, and students. As a partner in my child's education, and in order to maximize my child's opportunity for academic success, I agree to the following:

1. To support and abide by the mission, vision and the core values (DREAM BIG) of Sacred Heart School as stated in the Parent/Student Handbook
2. To ensure that my child has arrived for school no later than 8:00 A.M. each day- tardiness is disruptive to the educational process and will not be tolerated. Unexcused tardies and absences can result in non-promotion. (See handbook)
3. To submit a note to the teacher immediately after my child is absent from school
4. To make sure that my child is picked up from school promptly when school ends at 2:30- there is NO afterschool care provided unless your child is enrolled in the Afterschool program
5. To recognize that no student will be dismissed early from class without a valid, documented reason (traffic is NOT an acceptable reason)
6. Volunteer for one event.
7. To hold my child accountable for their academic performance and support their academic progress by playing an active role in their education by checking homework, responding to teacher messages/emails, signing the family envelope each week and returning promptly, as well as replenishing school supplies as needed
8. To have my students dressed in the proper uniform.
9. To make sure I model appropriate school behavior while on school grounds, i.e. no use of profanity, only entering the school building through the main door, and checking in at the main office before proceeding to my child's classroom
10. To abide by traffic rules, including no parking in the bus lane
11. To make myself available to the school to address any concerns that may be related to my child.
12. To communicate any concerns that I have to my child's teachers.

I acknowledge that I have chosen to enroll my child at Sacred Heart School, and in doing so, agreed to the school policies stated above. I understand that failure on my part to comply with this agreement could result in my child not being re-enrolled for the next school year.
